## Method-Every Breath of Hyomei Brings Relief.

Nearly every one who has catarrh knows how foolish it is to try and cure it

Until recently your physician would have said the only way to cure catarrh tog would be to have a change of c'imate; but now with Hyomei you can carry a health giving climate in your vest pocket and by breathing it a few minutes four times a day soon cure yourself.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the yest pocket, a medicine dropper and a bottle of Hyomei. The nhaler lasts a life time, and if one bottle can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the the home of the bride's parents by Rev. only one that follows nature in her method of treating diseases of the respiratory

G L Penny has soid a great many Hyomei outfits and the more he sells the more convinced he is that he is per fectly safe in guaranteeing to refund the ple that will agree to the conditions of money if Hyomei does not cure.

An estimate was recently made of the amount of wealth pro rata that was represented in the meeting of the didate for the democratic nomination board of directors of the United States Steel Trust, with all members present, and it was shown that one twelfth of the wealth of the country was tied up in that little gathering of financiers. This is another evidence of the general centralization of wealth under the vicious system of spoils that find favor with a republican administration.
